

ANKETA O UPORABI PAMETNIH TELEFONOV (Survey on Smartphone Usage)

Pozdravljeni!

Ta anketa je del projekta pri predmetu Trajnostno računalništvo in je namenjena ugotavljanju, kako dolgo uporabljamo pametne telefone in kako pogosto jih menjamo. Anketa je namenjena študentom.

(Hello!

This survey is part of a project in the Sustainable Computing course. It aims to understand how long people use their smartphones and how often they replace them.

The survey is intended for students.)

Vsi odgovori so anonimni. (All responses are anonymous.)

To je testna anketa. (This is a test survey.)
